

# Laval Junior Academy

## Sport-études | Program Application | 2020-2021

**Student's name:** \_\_\_\_\_ **ID Number:** \_\_\_\_\_

**Please specify your sports federation/association:** \_\_\_\_\_

**Please specify your level of competition:** \_\_\_\_\_

### Enrolment process

#### Academic Eligibility:

- Students must conform to the academic standards established by the school. An overall average of at least 70% is required, but we strongly suggest a 75% average. Acceptance is determined by the school administration.

#### Sports Federation Eligibility:

- Students must have a high level of athletic standing that has been recognized and certified by their respective sports federation/association. A student must be identified as either *Espoir*, *Relève* or *Élite*.
- Students attend school for the academic portion of their program and practice or compete with their sports federation/association for part of the school day (usually in the afternoon). Departure times may vary depending on the schedule of the sports federation or association.

### Step 1

Make an appointment with your sports federation/association for certification and acceptance as a high-level athlete. Please note that the federation/association charges a fee for entry into the program.

### Step 2

Please include the following documents when you apply:

- Certification of acceptance from the sports federation/association
- Latest report card
- Laval Junior Academy 2020-2021 registration form
